

Heiffel Tower Education App Project Backlog

User Story	Story Points (hrs)
As a student, I want to open the application so I can begin learning soccer	10
As a student, I want to click on the begin module so I can start my soccer learning journey.	3
As a student, I want to be able to learn about different formations, which managers used them to be successful, and their pros and cons so I can understand which formations fit each situation	10
As a student, I want the lessons to be engaging and visually appealing so my TikTok rotted brain can stay focused	5
As a student, I want to use an easy-to-understand, intuitive application so that I feel more motivated to use that application to learn soccer	3
As a user, I want to take a quiz after every module to ensure that I know what I learned	2
As a user, I want a module about interacting with the media in different situations so that I can learn how to manage a team on and off the field	3
As a student, I want to be able to save my progress between uses of the app, so I don't have to redo the same sections each time.	6
As a student, I want to learn about strategies to manage players on a team, such as play times for each player and when to substitute players, so I can develop effective strategies on the real field.	3
As a student, I want to interact with the opening message screen so I feel welcome in the application.	3
